## Virtual Connect Packages

### Option 1: Self-Service Webinar (\$500.00++ / day)

- Connect with your off-site attendees via an integrated Webex system in one of our newest meeting spaces, **Redwood** or **Spruce**. Package includes:
  - Pre-event client training
  - Integrated, user-friendly camera and microphone system for two-way communication
  - On-call tech support

### Option 2: Full-Service Webinar (Starting at \$1,000.00++ / day)

- Connect with your off-site attendees via a tech-run Webex production. Package includes:
  - Event invitation, registration & attendee help-line (additional \$10.00++ per registrant)
  - Up to 5 custom slides, which can be used for pre/post-event information, speaker introductions and/or intermissions (additional slides \$20.00++ each)
  - Pre/post event music
  - Break entertainment for off-site attendees (i.e. Video, Trivia, Yoga, etc.)
  - Audience polling and engagement
  - 1 Dedicated in-room technician to ensure proper images, sound and event flow

### Option 3: Outside Vendor (\$500.00++ / day)

- HCC will provide basic streaming service and on-call tech support should your organization contract and pay for an outside vendor. A la carte equipment is subject to additional fees. Vendor must provide a certificate of insurance upon request.

Webex is CPCC's official video conferencing platform.

We can accommodate other platforms, with possible limitations.
